

Buckeye Transportation Program

Reliable transportation powered by SafeRide Health

A healthier member is our goal, and it starts with reliable transportation to attend appointments and stick to care plans. Buckeye has partnered with SafeRide to improve the member experience with their transportation benefit for Buckeye Next Gen MyCare plan members.

Booking Rides for Members

To book rides, please have the following member information: name, ID, DOB, height/weight, appt. date/time, pick-up/drop-off addresses, additional passengers, preferred provider, and medically necessary modality.

*Note: **Advanced notice of 48 business hours is required** for routine services utilizing rideshare and NEMT.*

Available Ride Modalities

- **Rideshare & Public Transit:** For members who can walk to and from vehicle without assistance.
- **Ambulatory NEMT:** For member who can walk while supported by a device (walker, cane, etc.) and need assistance.
- **(XL) Wheelchair Van:** For members who rely on a wheelchair and need to remain in it during transport.

Note: For wheelchair rides, please note combined weight (passenger + chair), manual or electric, # of steps, and wheelchair width to determine if XL (>34" base) is needed.

Call (866) 531-0615 to schedule rides for members today!
