

Ohio Provider Experience Group Meetings Non-Emergent Outpatient Imaging Program Seeking Your Feedback on the Way We Work Together

What is it about?

Magellan Healthcare¹ is interested in getting feedback on your experience working with Magellan Healthcare for the prior authorization of advanced imaging services.

In the upcoming weeks, we will conduct provider experience sessions and would like individual(s) from your office to participate in this hour-long group discussion. We are interested in your feedback and your experience with the following processes:

1. Submitting clinical information to Magellan Healthcare for review of advanced imaging services.
2. Knowing what clinical information Magellan Healthcare needs to make a decision on a case.
3. Submitting appeals for services that have been denied.
4. Peer to peer review process.
5. Ease of prior authorization of advanced imaging services.
6. Use of Magellan Healthcare's website www.RadMD.com
