Buckeye Health Plan is committed to providing equal access to quality health care and services that are physically and programmatically accessible for our members with disabilities and their companions. Buckeye aims to transition healthcare delivery into a fully accessible system for our members, while improving the accuracy and transparency of disability access data in Buckeye's provider directories. Members are able to view a location's detailed disability access information using the online Find a Provider tool, as well as filter for a provider based on their disability access needs.

In order to ensure your disability access is current and accurate, we ask you complete the survey at the link below. Please fill it out to the best of your abilities for every service location where you serve Buckeye members.

Provider Accessibility Initiative

Please use **New Practitioner Enrollment Form** or Standard Direct Practitioner Roster to submit the names of all practitioners that should be linked to this form you are submitting.
