2021 Medicare Continuity of Care Bonus Program

(Formerly Partnership for Quality)

Quality Addendum Program Starts Jan. 2021 For Dates of Service Jan. 1, 2021 - Dec. 31, 2021

Allwell from Buckeye Health Plan understands that the provider-member relationship is a key component in ensuring superior healthcare and the satisfaction of our members. Because Allwell recognizes these important partnerships, we are pleased to offer the 2021 Continuity of Care (CoC) Quality Bonus Program, which rewards PCPs for improving quality and closing gaps in care.

New in 2021, the CoC program includes an incentive enhancement to better align payment with quality. Providers can now earn incentives at multiple levels based upon Star score achievement for each measure. We believe that our new incentive structure will better support you and your healthcare team in caring for our members.

Each measure will be calculated and rewarded individually. Star Rating is determined by comparing a CoC provider's compliance percentage for a given program measure to established benchmarks.
