

PREVENTATIVE CARE

can help save lives

Well care visits and screenings find health concerns early when chances for treatment and cure are better. As your guide to better health, Buckeye Health Plan encourages you to schedule a well care visit once a year and screenings as directed by your doctor.

Six in ten adults have a chronic health condition, like diabetes, heart disease or cancer.

Many of these conditions are preventable through annual well care visits and screenings.

\$0 Buckeye covers these visits at no cost to you!

Get rewarded for focusing on your health

Buckeye's My Health Pays® program rewards you for completing well care visits and screenings. You can spend rewards at Sam's Club® and Walmart® or on rent, utilities and more.* Members earn:

Up to \$50 reward for an annual well care visit (ages 12 and up).

\$75 for an annual breast cancer screening (females ages 50 to 74).

\$75 for an annual cervical cancer screening (females ages 21 to 64).

\$100 for annual comprehensive diabetes care. Must complete each of the following annually: kidney screening, HbA1c test and retinopathy screening (dilated eye exam).

Buckeye makes it easy to make and keep your appointment with:

- Access to quality medical care at no cost to you. Need help finding a doctor? Use Buckeye's "Find a Provider" tool on BuckeyeHealthPlan.com or call 1-866-246-4358.
- No-cost transportation to and from doctor's appointments. Call 866-531-0615 at least 48 hours in advance to schedule.

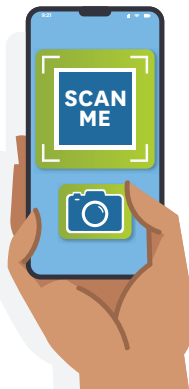

Call your doctor to schedule a visit today.
