## PCG MATCH

careify

Powered by Careify<sup>™</sup>

There is a **growing gap** between the number of individuals who need Medicaid Home and Community-Based Services (HCBS) and the number of providers available to meet this need.

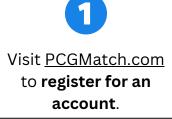

As a result, it can be challenging for individuals and providers **to find each other**.

PCG Match is an online tool that helps connect individuals with providers who can meet their service needs. This enables individuals to remain in their homes and continue leading independent lives.

## WHO CAN USE PCG MATCH

- Individuals receiving Ohio Home Care or MyCare Ohio Waiver Services and/or Medicaid State Plan Services
- Independent Providers who are Personal Care Aides, Home Care Attendants, or Nurses
- Medicare Certified or Otherwise Accredited Home Health Agency Providers
- **Case Managers** supporting individuals on the Ohio Home Care or MyCare Ohio Waivers

## **HOW TO GET STARTED**

Update your provider profile or post a job detailing service needs.

does not replace any existing processes used to evaluate and/or authorize medical providers prior to rendering services. Only the data PCG Match users choose to share through PCG Match, including personal

Match system users. Please see our full Privacy Statement here.

PCG Match is a service provided on behalf of the State of Ohio, Department of Medicaid (ODM). PCG Match

information (PI) and personal health information (PHI), will be made available to view by other authorized PCG

Search job posts or provider profiles to find a match near you. 4
