

Buckeye Health Plan Maintenance Drug Pharmacy Program

Buckeye Health Plan (Buckeye) offers a 90 day supply (3 month supply) of maintenance medications. The products listed below are considered maintenance medications as they are used to treat long-term conditions or illnesses. Contact a Buckeye Member Service Representative if you have any questions regarding this program. To transfer a current prescription or to have your doctor phone a prescription directly to our mail order pharmacy they may call Homescripts at 1-800-785-4197.

The maintenance drug list is subject to change, may not be comprehensive, and some of the medications on the list may also be subject to additional plan coverage rules. Once a brand name medication covered on the Maintenance Drug List becomes generically available, only the generic drug will be covered as a maintenance medication.
