NEXT STEPS FOR AWARDED PROPOSALS

Applications are reviewed and awarded on a quarterly basis and applicants will be notified of the decision via email. All grant applications become the property of Buckeye Health Plan and will not be returned to the applicant. Grant funds will be awarded in whole or in payments over time as determined by Buckeye.

Buckeye Health Plan requires each organization receiving grants to publish an acknowledgement of the grant. The publicity may be in the form of a press release (template to be provided), an annual report, a brochure or materials related to the project or in some other means of communication. All public recognition should be in the name of Buckeye Health Plan and be submitted to Buckeye for review and comment prior to publication/release to the public. A copy of any public acknowledgement should be submitted with the final grant report. A template for partner use will be provided for a press release and social media posts.

PARTNER EXPECTATIONS

Awarded organizations are expected to adhere to quarterly and annual reporting guidelines outlined in the proposal evaluation form.

Buckeye requires photo documentation and metrics of programming. Photographs (with consent), client testimonials and impact numbers may be requested for inclusion in Buckeye's newsletters, press releases, social media and/or website. On an annual basis, a minimum of 10 photos and five testimonials will be requested for reporting in addition to known metrics.

Each organization receiving funds from Buckeye may be required to provide periodic financial reports and project reports. Failure to expend funds and to provide a complete, accurate, and timely accounting of awarded funds may prohibit the organization from receiving future funding and may result in the Buckeye seeking restitution of misspent funds.

Your local community relations representative will meet with you quarterly to review the funding requirements and discuss additional opportunities to partner.

Some projects, particularly those of considerable duration or size, may encounter changes in key personnel, funding partners, or resource requirements. The grant recipient must notify Buckeye and describe a plan to address unforeseen events. Grant recipients must contact BuckeyeGrants@centene.com immediately if significant events occur that may impact the project. Examples may include, but are not limited to: a change in the project director or in the organization's key personnel; a change in the organization's priorities, Board members, or operations; a change in other funding resources or project costs. **Failure to notify Buckeye of issues that may adversely impact the project may result in a temporary or permanent cessation of payments or possible legal action to reclaim funds.**
