

Over-the-Counter Pharmacy Program

The Buckeye Health Plan pharmacy program covers a variety of OTC products. The products listed below are covered when a valid prescription from a licensed clinician that meets all the legal requirements for a prescription is presented to be filled at a Buckeye network pharmacy. Covered products are available in quantities up to a 30-day supply. Refer to the Buckeye Health Plan PDL for a complete listing of available OTC items. Please note that generic products must be prescribed when available.
