Support and Services for You

BuckeyeSpectrum

Buckeye helps members living with schizophrenia take back control of their lives through a new program called BuckeyeSpectrum.

With BuckeyeSpectrum, our caring, compassionate Care Management staff can help you:

- Navigate your healthcare
- Manage your medications
- Self-manage your symptoms
- Cope with the stress of work and family
- Create a personalized care plan designed just for you
- Decide when you should see your doctor
- Make healthy lifestyle choices to help you feel your best
- Arrange transportation to doctor visits and community support groups
- And more!

Get Rewarded

When you participate in BuckeyeSpectrum through regular phone calls with your dedicated Care Manager, you'll receive:

- A \$25 "My Health Pays" reward for completing a health risk assessment
- Up to \$185 per year for completing certain wellness activities like getting your annual checkup
- A free cell phone to keep in touch with your care team (based on eligibility)
- A \$10 gift card for meeting with your Care Manager
