health plan.

Talk to your patients about annual Medicaid eligibility renewal.

If they no longer are eligible for Medicaid, let them know they have options.

As a healthcare professional, your patients look to you for expert advice.

If you have patients that are no longer eligible for Medicaid coverage, talk to them about Marketplace coverage options from Ambetter by Buckeye Health Plan. Ambetter provides affordable care to individuals or families that need to purchase healthcare coverage on their own.

Thanks for all that you do for the health and well-being of your patients. If you have any questions contact us at 877.687.1189 today.

Let your patients know:

1

They should receive a letter one month before their Medicaid anniversary date with instructions for verifying their eligibility. Medicaid ODM Partner Packet advises directing all Medicaid members to: **Ohio.Benefits.Gov**

2

If they are no longer eligible for Medicaid, they can explore our Marketplace plans at **ambetter.buckeyehealthplan.com/**

We offer different plans — many with low or no copay amounts — to meet the budget and utilization needs of our members. This gives your patients the peace of mind that they have full comprehensive medical coverage.
